

Don't miss The 2011 Puerto Rico Recruitment Program!

Tuesday, October 18 to Thursday, October 20, 2011

Join us for our **4th Annual Catholic Colleges Puerto Rico Recruitment Program**. This is a wonderful opportunity for our member schools to meet students, parents, and counselors as a collective group of Catholic colleges and universities.

MORE VISIT OPPORTUNITIES: We are pleased to announce that we are adding more high school visits to the program, and already have 5 high schools confirmed: Colegio San Ignacio, Academia Maria Reina, St. John's School, Academia San Jose, and Antilles High School. We will be confirming 3 more high school visits shortly. We will once again host a public college fair, counselor dinner, and bilingual financial aid program at The San Juan Marriott.

GREAT VALUE WITH MORE BENEFITS: The registration fee for participating is \$550, the same rate as last year's program, which is an outstanding value with more opportunities to meet students. We have arranged for a special hotel rate at The San Juan Marriott for \$130 per night (just a \$5 increase from 2010). The registration fee helps cover the costs of promoting the program to all high school counselors in PR, students and parents (via direct mailings to students from College Board Search), bus transportation to the high schools, and event costs at The San Juan Marriott.

To register and to see more program info, please go to our website at www.catholiccollegesonline.org, follow the link on the left panel to "For Member Colleges and Universities," then "Recruitment Programs." The registration deadline is **July 1, 2011, and the payment deadline is Sept. 1, 2011**. Don't wait to register, as spaces are limited! There is also more info about the program on our website, including a list of member schools that participated in 2010 and pictures of previous programs.

We hope you'll join us and other National CCAA member schools for the only Catholic College Recruitment Program in Puerto Rico!

Questions? Please contact Joyce Masek, National CCAA Executive Director, at 614.633.5444 or at masek@nationalccaa.org, or Carlos Garces, Senior Associate Director of Admissions, Marquette University, at 800.222.6544 or carlos.garces@marquette.edu.
